Lester B. Pearson Newsletter – November 2, 2025

Dear Students, Parents, Guardians and Caregivers,

Welcome back everyone. These past 3 weeks were full of mixed emotions, uncertainty, sacrifice, and challenges. Even though the result was far from what we hoped, it in no way diminishes the outstanding effort and energy that went into fighting for public education. I can say without a doubt the commitment, care and community that I witnessed with teachers, students, parents and the community was the most I have seen, felt and heard in my entire career.

Thank you to all the support staff and caretakers for minding the school in our absence. Much was accomplished, and we could feel all the positive energy they were sending our way.

Here are snippets of the many moments I experienced in rallying for public education:

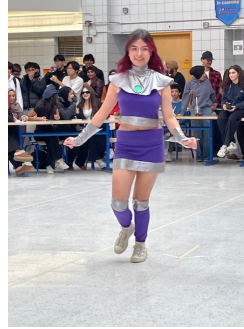

It was great to see all the Halloween Costumes on Friday. A reminder that joy is an essential element of school spirit and community. Thanks to Leadership Classes for hosting this event with such short notice.

Important Notice – Student Parking:

The last opportunity to purchase a parking pass for the student parking lot is next Friday, November 7. Beginning on Thursday, November 13, any student without a parking pass may be ticketed by the City of Calgary Bylaw Services. Students who have not purchased a parking pass by the deadline will not be able to park in the student parking lot for the remainder of the school year and could be ticketed / towed.

Any student with a parking pass who drives irresponsibly will lose their parking privileges with no refund. Students without a parking pass who drive irresponsibly will be banned from parking on school property for the remainder of the school year. Please note, there is a clearly signed visitor / staff parking area. Any student who parks in this there will be ticketed and/or towed.
